

You Can Count On It... We're All Aging Postcard Campaign

Thank you for helping us carry out our postcard campaign supporting funding for services for older adults!

Below are instructions for you if you are hosting a larger gathering and/or will be sharing the postcards with individuals who do not have Internet access.

Documents you may need:

If you need to download any files, go to <https://p4a.org/postcard2024/>

- Postcards!
- Instructions for completing the postcard
- Municipality List
- Legislator Addresses
- Legislative Leader Addresses List

Please make enough copies to hand out these documents with the postcards.

No Internet Access?

If your location does not have access to the Internet to identify someone's state legislator, bring multiple copies of the following two documents.

Ask participants to locate their municipality, then look for their senator and representative. Once the person has identified their senator and representative, they can find the addresses on the Legislator Address document.

- *Municipality List* – This is a list of municipalities, in order by county. You may wish to only print out the municipalities in your county.
- *Legislator Addresses* – This is a list of legislators' Harrisburg office addresses. You may wish to only print out the legislators in your county.

Want to do more?

If people want to do more, ask them to also send a postcard to the legislative leaders listed on the "*Legislative Leader Addresses*" document.

**Remember:

Remember, it is never too late to send the postcards! If the budget has not yet passed, feel free to encourage people to mail them to their legislators.

If you are able, please mail groups of completed postcards to the P4A office. We will hand deliver them and this will save us on postage.
